The Policy Wording and Policy Schedule form your legal contract with us so please keep them in a safe place for future reference. You should check the Policy Schedule, or renewal schedule if you are issued one, when you receive it to ensure it accurately states what you have insured.

Duty of disclosure

New business

What you must tell us

When answering our questions, you must be honest and you have a duty under the law to tell us anything known to you, and which a reasonable person in the circumstances would include in answer to the questions. We will use the answers in deciding whether to insure you and anyone else to be insured under this insurance and on what terms.

Who needs to tell us

It is important that you understand you are answering our questions in this way for yourself and anyone else who is an insured under this insurance.

If you do not tell us

If you do not answer our questions in this way, we may reduce or refuse to pay a claim, or cancel your insurance. If you answer our questions fraudulently, we may refuse to pay a claim and treat the insurance as never having worked.

Renewals, variations, extensions and reinstatements

Once your insurance is entered into and is no longer new business then your duty to us changes. You are required before you renew, vary, extend or reinstate your insurance, to tell us everything you know and that a reasonable person in the circumstances could be expected to

know, is a matter that is relevant to our decision whether to insure you, and anyone else to be insured under this insurance, and if so, on what terms.

You do not have to tell us about any matter:

- that diminishes the risk to be undertaken by us;
- that is of common knowledge;
- that we know or should know or, in the ordinary course of our business, we ought to know;
- as to which compliance with your duty is waived by us.

Non-disclosure

If you fail to comply with your duty of disclosure, we may be entitled to reduce our liability under the insurance in respect of a claim or may cancel the insurance.

If your non-disclosure is fraudulent, we may also have the option of avoiding the insurance from its beginning.

You must disclose to us all previous claims

You are asked at the time you take out this insurance to give us full and correct details concerning any:

- renewal or insurance policy declined, cancelled or refused, or where any excess was imposed;
- claim refused by an insurer;
- claim made;
- criminal conviction or finding of guilt for an offence,

in relation to you and your family because any of these may affect the premium and extent of insurance.

For example, we may be entitled to:

- charge you an additional premium;
- impose (back-dated) restrictions including declining your insurance back to when this information should have been provided;
- decline to insure your building, contents or valuables;
- refuse a claim.

When renewing your Policy with us you must also advise us of any changes to your:

- claims;
- insurance; or
- criminal history.

We will notify you in writing of the effect a change may have on your renewal.

About Consumer Credit Insurance

This is a Consumer Credit Insurance (CCI) policy designed to meet your loan repayments in the event of a disability or involuntary unemployment. This Policy will also pay you the amount selected for a trauma event occurring to you or to pay the outstanding balance of your loan, less any rebate of charges and arrears in monthly repayments, in the event of your death.

This insurance is not compulsory and a credit provider cannot insist upon you taking out a CCI Policy as a condition of a loan. You should also be aware that you can effect CCI with the insurer of your choice.

How to apply for this insurance

You can apply for this insurance by completing our application process that is administered by your financial institution.

If we accept your application, you will receive a policy schedule that identifies the insured, the insurer, the period of insurance, the premium, the cover(s) selected, the limits of liability and other important information.

To be eligible for this Policy you must, at the commencement date of this insurance:

1. be less than 60 years of age
2. be a permanent resident of Australia unless you are a member of the Australian Defence Force posted overseas or we agree in writing to insure you
3. be in permanent employment for not less than 15 hours per week, every week other than when you are on annual leave
4. have no knowledge that your permanent employment is to be terminated or a decrease in work being available.

Points 3. and 4. do not apply if you are a person named on the loan contract, are not in permanent employment and you are only applying for death cover.

Significant benefits & features

The following information lists some of the significant features and benefits available under our policy. For full details of the features and benefits of this insurance cover you need to take the time to read the Policy Wording.

There are two main covers. You must choose one or both of these covers:

- Death cover
- Disability cover

There are two additional covers:

- Involuntary Unemployment cover
- Trauma cover

Involuntary unemployment and trauma covers are only available when chosen in conjunction with the disability cover.

Cover applies 24 hours a day, 7 days per week. For a more comprehensive overview of your cover options, speak to your financial institution.

Death Cover

In the event of death, we will pay to your financial institution the outstanding balance of your loan contract at the date of death (excluding any loan repayments two months or more in arrears), to a maximum of \$350,000.

If you die (other than by suicide), during the period of time between the date your loan is approved and when the funds are advanced, we will pay the death cover, provided your application has been accepted and death occurs within 120 days of your loan being approved.

Disability Cover

If you are unable to work because you have suffered an injury or illness, we will pay the repayment shown on your policy schedule for this cover to your financial institution for each fortnight/month you are disabled up to a maximum amount which is the equivalent of 36 monthly repayments, provided that:

- the disability continues for at least 29 consecutive days from the date you first seek medical attention for the injury or illness which causes the disability
- the monthly benefit is no more than \$3,000, and
- you have not reached 65 years of age.

Involuntary Unemployment Cover

If you are unable to continue your permanent employment as a direct result of involuntary dismissal or retrenchment by an employer, we will pay the repayment shown on your policy schedule for this cover after the 28-day waiting period for each period of involuntary unemployment you experience.

The maximum payment for any one claim is 3 months during any consecutive 12-month period.

The most we will pay in total for all involuntary unemployment claims during the period of insurance is \$10,000.

Cover will only apply if:

 - you have not experienced involuntary unemployment within 28 days of the commencement of the period of insurance
 - you have been in permanent employment for 60 consecutive working days immediately prior to experiencing involuntary unemployment

-

Trauma Cover

If you suffer a trauma, we will pay to you the lesser of the outstanding balance at the date you suffered the trauma and \$50,000. We will not pay more than one claim during the period of insurance and no claim will be payable for any trauma suffered in the first 90 days of cover.

Policy Limits

Covers under this Policy have limits. The maximum amounts we will pay for the cover you have chosen, irrespective of the amounts shown on the policy schedule, are:

Death Cover

- The benefit payable is the outstanding balance of your loan contract up to a maximum of \$350,000.
- For a policy in joint names, only one claim is payable.

Disability Cover

- The maximum monthly benefit is the lesser of the insured repayment amount selected by you as shown in your Policy Schedule and \$3,000 per month, no matter how many claims are made by all covered persons.
- The maximum benefit payable is for a period equivalent to 36 monthly loan repayments but only if the policy remains in force during that period.

Involuntary Unemployment Cover

- The maximum monthly benefit is the lesser of the insured repayment amount as shown in your Policy Schedule and \$3,000 per month, no matter how many claims are made by all covered persons.
- The monthly benefit is paid for a maximum period of 3 months during any consecutive 12-month period.
- The maximum benefit payable for all claims during the period of insurance is \$10,000.

Trauma Cover

- The benefit is the lesser of the outstanding balance and \$50,000.
- Only one claim can be made during the period of insurance.

Period of Insurance

The period of insurance is for the lesser of 5 years or the time your policy cover ends under General conditions - When your insurance ceases.

If there are general increases in the interest rate charged by your financial institution resulting in the term of the loan contract being extended, the period of insurance will be extended by up to 6 months at no extra charge.

Significant risks

The following information lists some of the significant risks arising under your Policy. It is important that you take the time to carefully read the policy wording in full before applying for this insurance.

Variation of cover

If you vary any of the terms of your loan contract this policy will be cancelled, and if you want cover, you will need to enter into a new policy to cover the varied loan contract.

Where you vary your loan contract and you propose entering into a new policy, all current terms and conditions of the new policy apply as at the date the new policy is issued.

Waiting periods

A waiting period is a period of time for which no benefit is payable. You may be subject to one or more waiting periods under this policy. A full description of all the waiting periods that may apply can be found in the policy wording.

Interest Rates

The amounts we may pay for claims relating to disability and/or involuntary unemployment are calculated by reference to the repayment as shown in your policy schedule. If during the period of insurance your actual loan repayments are affected by a change in interest rates, any payments under the policy may not provide total cover.

The cost of this policy

The total premium is the amount we charge you for this Policy. It includes the amount we have calculated for the risk and the taxes and government charges applicable. The premium will be shown on the Policy Schedule.

When calculating the premium we take a number of factors into account. These factors and the degree to which they affect the premium will depend on the information you give us, and the level and type of cover you choose. The main factors that impact your premium include:

- the covers selected, and
 - the sum insured.
-

Commission

In arranging this insurance your financial institution is acting as an agent of QBE Life (Australia) Limited and QBE Insurance (Australia) Limited not you. The commission paid to your financial institution is 20% of the premium excluding GST and Stamp Duty.
